

YOUTH DANCE CAMP

Children will experience joy of movement in a fun, creative and nurturing environment, led by BSB Ballet teachers and student helpers. In addition to daily ballet class, they will explore other dance forms like jazz, character, lyrical (*older group*), and creative movement (*younger*) that encourage coordination, musicality, rhythm, and artistry. Other daily activities include dance-related story time, crafts, and snack/drink (*provided by BSB*). Parents do not need to stay, as the children will be well supervised. Our third day concludes with a mini in-studio performance (*last 10 min. of session*) for the students to present what they learned to their parents/families.

Tutus/Skirts provided by BSB.

Attire: any color leotard, pink tights & ballet slippers, hair up.
