DRESS CODE 2026-2027

Ballet students must purchase the uniform leotard specified for their class level.

--See attached sheet--

If any leotards are on back order, please notify the teacher and wear a different leotard to class until yours arrives.

- **TIGHTS** All levels should purchase professional tights. Suggested brands: Capezio, Bloch, Danskin, Theatricals, etc..

Color: 'Ballet pink' or 'Theatrical Pink' tights that cover the whole foot under the shoe. Suggested for older girls: 'convertible' style tights have holes on bottom for quick access to barefoot for pointe prep, lyrical, pilates or just to wear flip flops after dance. Tights must be worn under leotard. No rips, stains or runs in tights. Best to order several pair.

***Note:** *Tights are designed and meant to be worn without any further undergarments, but if you choose otherwise, please take care that undergarments are not showing from under leo and tights.*
- **SHOES** Pink ballet shoes- any professional brand that suits their foot shape. Should fit VERY SNUG!

No bows on outside of shoe. Drawstrings should be tied in a knot, trim long ends to toe length and elastic tucked inside the shoe.

No holes in shoes.

Primary Levels: **FULL SOLE** ballet shoe in **leather only**

Beginner Levels: **FULL or SPLIT SOLE** ballet shoe, **leather only**

Upper Levels: **SPLIT SOLE** ballet shoes, **leather or canvas**

For safety reasons, students MUST have ballet shoes to participate in class and are expected to come prepared with all their belongings.
- **HAIR** All levels must have hair neatly secured back into a bun with hairnet and bobby pins or similar style. No Bangs allowed. No large head bands. Ponytails are only allowed during pilates/conditioning.
- **'COLOR LEOTARD' WEEK** Any color and style leotard may be worn for Ballet class during **'color week'** – see school calendar.
(no extreme low back, halter, or off one shoulder)

- **PRACTICE SKIRTS** Skirts may only be worn for ballet class during '*skirt week*'. Practice skirts cannot be so long as to cover up the knees and alignment of body. We have a few extra skirts to loan out if you don't own one. Please make sure they are returned at end of class.
Teen/Adult Ballet Classes may wear skirt for the whole class.
Advanced students may wear a practice skirt for center floor work during pointe work only.
- **LYRICAL / CONTEMPORARY** Any color leotard (*no bare midriff*), pink tights (footed or footless). Ballet slippers can be worn, but lyrical dance shoes or Contemporary dance socks are recommended for upper levels (Brand: BLOCH in color Nude, not Black)
- **PILATES** Students must bring own mat to and from conditioning class. Do not leave at studio. Wear leo and tights or form fitting workout clothes (*in order to see alignment*). Wear barefoot or socks with rubber treads on soles.
- **WARM UPS** Can be worn all of class only during '*warm-ups week*' (*see school calendar*). Warm-Ups should be snug and show the alignment of the body - no hoodies or bulky clothing. Through the year, they should be worn only to prepare for class when cold and worn only for first exercise or later with permission from teacher.
- **No jewelry or watches**, except for small stud earrings (*no dangle*).
- **No gum, drinks or food** in the classroom. Water bottles may be brought in if needed. Water breaks are given and there is a drinking fountain.
- **Hygiene** Please be proactive to make sure your student is wearing deodorant when the time comes. Leotards and tights should be laundered after each use and free of stains, odors or rips/runs.
- Students need to wear **street clothes** (and shoes!) over their dance clothes when coming and going from the studio.
